Hello,

We weren't aware that CD 4 was on the CSLA schedule for tomorrow until last Thursday afternoon. We did not receive any CD 4 priority locations until Friday afternoon. Therefore, we have not yet begun outreach specific to tomorrow's clean-ups, at any of these locations. Additionally, CD 4's top priority, 190204004, includes our CD 13 Schrader Outreach Focus Zone, and requires additional coordination among teams serving those encampments.

We're going to try our best to authorize what we can, but we cannot guarantee any of these locations based on the short notice we received for these.
